

EZEQUIEL MORALES

SEMI SENIOR
PROGRAMMING
TECHNICIAN

SUMMARY

I graduated as a University Technician in Programming from the National Technological University (UTN) in Mar del Plata, and I am currently working as a developer in an IT consulting firm.

I consider myself a very **self-managed** person with a great deal of **patience**, capable of quickly **adapting** to stressful situations. I have experience in teaching, so **empathy** and **perseverance** are qualities that I have well-developed.

My **goal** is to excel in the latest technologies, seeking **solutions** to various challenges demanded by society and the current market.
